

Coquitlam College Self-Isolation Assistance Designated Quarantine Hotels

If you have not opted for the Coquitlam College homestay program, and cannot self-isolate at your own residence because it doesn't allow you to separate yourself from other roommates, Coquitlam College has more options for you since we are a member of Languages Canada. The following hotels have been identified as designated Languages Canada quarantine sites for international students within Vancouver.

All quarantine sites have implemented rigorous COVID-19 operating procedures as per the Hotel Association of Canada's Best Practices, Operating Procedures and Considerations for Hotel Guests in Self-Isolation and are equipped to provide a full-service quarantine package to students, including safe transport from the airport to the hotel and monitoring services to ensure students do not leave their room.
