

## International Student Quarantine Plan Form

The first priority of Coquitlam College is the health and safety of our students. We are also obligated to follow the regulations and recommendations of various authorities, including the Government of Canada, and the Province of British Columbia as well as local public health authorities.

When you arrive at the border, you will need to show an adequate plan to quarantine for two weeks whether or not you [qualify as fully vaccinated](#). Please notify us where you plan to spend your first two weeks in Canada, [whether or not you have to quarantine upon arrival](#).

In order to ensure that students have appropriate quarantine plans in place, we ask that you complete and sign the below form and return it to [travelletter@coquitlamcollege.com](mailto:travelletter@coquitlamcollege.com) prior to your travel. You should use this information when completing the questions in the mandatory [ArriveCAN App](#) that you must complete within 72 hours of your departure for Canada.

We recommend that you bring copies of these forms with you when travelling.
