Precluded Courses: N/A								

COURSE DESCRIPTION

In this course students will examine the basic conditions in British North America between the British Conquest and Confederation. An examination of internal and external political, social, and economic forces that shaped Canadian history will also be stressed.

LEARNING OUTCOMES

Upon successful completion of the course, students will be able to:

- Explore differing perspectives of historical events
- Identify and describe the First Nations cultural regions before contact with Europeans
- Describe the impacts of European colonization on the First Nations
- Contrast the development and everyday living conditions of New France and Acadia
- Explore the effects of the union of the Canadas
- Describe the struggles between the French and the English
- Identify significant events that shaped Canadian identity
- Examine Pre-Confederation history in transnational terms
