To comply with the British Columbia Tobacco and Vapour Products Act, Coquitlam College has posted no-smoking/no-vaping signs around the campus. Coquitlam College actively informs students of anti-smoking practices during safety week.

Coquitlam College staff, security and maintenance discuss the smoking and vaping regulations with students and inform them that they must leave the campus to smoke or vape. All the Senior Secondary staff will inform their classes regarding the BC Government regulations of the no-smoking and no-vaping policy on campus.
